Social and Community Participation

Do you have an NDIS Package? Would you like to try a new activity, make new friends or just get out and about more?

Hastings Macleay Community Transport is an NDIS registered provider with skilled staff to help you participate more, in and with your community and friends.

**You can choose to do more of the things you already enjoy
or try something new**

**Not only can we transport you there but we also have
Community Support Workers who can accompany you**

These things may include:

- Joining a social group
- Being involved in a community activity
- Play an instrument or sing in a choir
- Go to a footy game or watch a movie
- Have lunch or coffee at your favourite café

It is endless and up to you as to what you would like to be involved in.

Whatever you choose to do we are here to help.

For more information, call one of our friendly staff
